

Our Year 6 theme for this half term is:

Frozen Kingdom

We will be:

English

- Bug Club Comprehension based on the text "Road to Freedom"
- Bug Club home reading
- Weekly spelling pattern
- Narrative writing based on the book "Eye of the Wolf"
- Exploring character's viewpoint, thoughts and feelings
- Summarising the main points of a story
- Writing from the point of view from a significant character from the text.

Maths

- Develop their conceptual understanding of fractions, including equivalence, comparing, ordering and associated problem solving.
- Calculating with fractions, including all four number operations.
- Revision in preparation for mock SATs tests.
- To use a systematic approach to solving a problem.
- To reason mathematically.
- Learning to plot co-ordinates in all four quadrants, including the translation and reflection of shapes.

History

- Reflecting on the importance of Remembrance Sunday
- Learning about the story of Scott of the Antarctic

Science

Our science will be linked to our Frozen Kingdom theme and will include looking at food chains and how animals such as the penguin and polar bear are adapted to their environments.

Computing

- Use search engines effectively for research.
- Use drawing software to create appropriate content.

P.E.

- Gymnastics - matching and mirroring
- Invasion Games, with a focus on strategies for defending and attacking, including finding space.

R.E.

- Learning about the Christmas story with a focus on the Magi and their gifts.

P.S.H.E.

- Relationships Education: Changing Relationships and Positive Friendships; My Life Online; Puberty

Spanish

- Revision to include pets, dates and Spanish festivals

How can you help?

- Continue to read daily, including the use of Bug Club at least three times per week.
- Continue to practise times tables and number bonds at home.
- Practise weekly spellings!
