

2018 School Data Summary

KS2 data				
Grammar, Punctuation & Spelling tests - % reaching Expected standard and % achieving higher score				
		2016	2017	2018
Expected	Lyndhurst	70	70	74
	National	73	77.5	78
Higher score	Lyndhurst	19	15	26
	National	22.7	31.2	Not known yet

Lyndhurst's results have again increased, rising faster than the national average, although we are not quite in line as yet (with gap of 4%). Massive increase at the higher score (up by 11%), showing the impact of the school's priority work in spelling.

KS2 data - Reading, Writing & Maths - % reaching Expected standard				
		2016	2017	2018
Reading	Lyndhurst	61	68	71
	National	66.4	72.2	75
Writing	Lyndhurst	80	75	78
	National	74.5	76.8	78
Maths	Lyndhurst	61	67	75
	National	70.2	75.3	78
Reading, Writing, Maths Combined	Lyndhurst	46	56	63
	National	53.8	61.6	64

Lyndhurst's results have all increased on 2017 by up to 8% (in Maths) & are now much closer to national averages (largest gap away 4%). Most importantly RWM Combined is within 1%, evidencing the impact of the teaching strategies, intervention programmes & improved quality of teaching, learning & assessment, supported by more stable & challenging leadership & management.

KS2 data: Reading, Writing & Maths - % reaching Greater Depth/standard or (in tests) higher score				
		2016	2017	2018
Reading	Lyndhurst	14	17	27
	National	18.8	24.8	Not known yet
Writing	Lyndhurst	14	13	11
	National	14.8	17.8	Not known yet
Maths	Lyndhurst	17	13	18
	National	16.7	22.8	Not known yet
Reading, Writing, Maths Combined	Lyndhurst	5	6	6
	National	5.4	8.8	Not known yet

Reading at the higher standard has seen a massive improvement (up by 10% & 13% over two years) reflecting the work on comprehension, inference & deduction alongside interventions.
