## Lyndhurst Junior School 'to Success'

A King's Group Academy

Friday 13th September 2019

Dear Parents and Carers

### Welcome Back and the Year Ahead

It has been a wonderful start to our new school year with our pupils settling straight back into the routines and expectations of school; it feels like our Year 3 pupils have always been with us! I love walking around the school and seeing how well the children work with the teachers, other adults and each other.

Having achieved our "Good" Ofsted judgment last year we are determined to continue our journey of school improvement so that your children, our pupils, have the best possible experience of school and fulfil their potential. We are continuing to focus on our School Values of Aspiration, Achievement, Critical Thinking and Respect ensuring that they underpin all that we do at Lyndhurst both within our lessons and the wider life of the Lyndhurst Family. Our close relationship with College Park Infant School is continuing to develop and a particular focus remains curriculum development, ensuring that there is a clear progression from Year R right through to Year 6.

### Parent View

I would like to thank those of you who completed the Parent View Questionnaire at the end of the Summer Term - the results of the analysis will be on our website in the next few weeks. One of the things some of you noted was that, whilst school-home communication has improved, there is still room for improvement particularly with regard to sharing dates in advance. In response we have already sent a key dates letter to you which I hope that you have found useful.

### MacMillan Coffee Morning and Cake Sale

On Thursday 26th September Lyndhurst and College Park Schools will be working together to raise money to support the work of MacMillan Cancer Support and you will be receiving a letter with the details today.

### Inset Day Child Care is Available

As a working parent I know how difficult it can be to find childcare for Inset Days so I am delighted to be able to let you know that we are opening Kids Club for ours in October and November. There are 30 places available which can be booked for 25th October and 25th November from Monday 16th September through the Lyndhurst School Office. Provision is available from 7:30am through to 5:45pm at a cost of £30 per day. Breakfast will be provided and we would ask that children be sent in with a packed lunch (and dinner if needed) as our kitchen will be closed.

'A Learning Journey

Exec HT : Mrs D J Anderson  
Head of School: Ms A Beechurst

**Health and Safety Reminder**

For health and safety reasons dogs are not permitted on the school site.

At drop off and pick up our playgrounds can become very busy. Please ensure that bikes and scooters are not ridden on site. This applies to adults, Lyndhurst pupils and their siblings.

Thank you for your cooperation with these matters.

It has been good to catch up with a number of you already this term and I look forward to continuing to work with you to support your children on their learning journey to success.

Warmest regards

Ms Beechurst  
Head of School
